'Where excellence is a habit'

10th September 2020

Dear Parent / Carer,

I would like to personally invite friends and family of Y5 and Y6 pupils to join us on the 15th of September, at 6pm, for our Virtual Open Evening.

As a parent of primary age boys, I understand the difficulty many parents face in choosing the right school for their child, especially in these uncertain and unprecedented times.

In normal circumstances, parents and pupils would have an opportunity to walk the school, chat to students and staff and importantly see for yourself what makes St Aidan's Catholic Academy such a wonderful place for your child to learn and grow.

Sadly, due to the ongoing Coronavirus pandemic and the necessary social distancing measures we have adopted as part of our risk assessment, we unfortunately cannot host Y5/6 parents on site.

As an alternative to this, we've created a virtual Open Evening which will be live from the 15th of September at 6pm via Zoom. There will be a short presentation and instructions on how to access further information. We will also give you the opportunity to answer any questions. Please see / click the link below:

To ensure you can make an informed, confident decision regarding your son's future, we have also provided the following information:

We look forward to meeting you on the 15th and serving you and your family in the coming years to help your child fully develop their God given talents should you choose St Aidan's Catholic Academy.
